You may also pay with 10 equal post-dated checks dated for the 1st, 10th, or 25th of each month beginning August, 2007 and ending May, 2008. All ten post-dated checks must be received in the Akiva office by July 9, 2007

TUITION REBATE PROGRAM: If a child is enrolled in the Akiva nursery for either morning or afternoon sessions for the equivalent of three (3) half days per week and attends for the full school year, then regular tuition beginning with kindergarten will be discounted one hundred dollars (\$100) per year, for each year thereafter that the child attends Akiva. Attending nursery for more than one year does not increase the rebate. The rebate applies to every continuous year that the child is enrolled at Akiva; that is, the child may not skip a year (go to another school one year, then come back to Akiva).
